

PRESS RELEASE:

Atlantic Concealment appoints M. Ostella & Associates, Inc as Rep for NY, NJ and PA

FOR IMMEDIATE RELEASE: April 13, 2009

Atlantic Concealment, LLC today announced that they have retained M. Ostella & Associates to represent the company in the Greater New York, Pennsylvania and New Jersey markets. This partnership with the M. Ostella & Associates team increases the Atlantic Concealment sales effort and will allow us continue to expand the sales of the company's wireless concealment solutions in the Greater New York, New Jersey and Pennsylvania markets.

About M. Ostella & Associates, Inc

M. Ostella & Associates, Inc. and its principal Mike Ostella have over 30 years of experience in the telecom industry. They support a wide range of services and products from their offices in North Caldwell, NJ.

About Atlantic Concealment

Atlantic Concealment, L.L.C. is headquartered in Scarborough, ME with fabrication facilities located in Windham, ME. The company designs, engineers and manufactures innovative wireless site concealment solutions for wireless carriers seeking concealment options that meet the zoning requirements of specific markets and RF requirements that network engineers demand.

These products and designs feature extremely low-loss electrical characteristics while exhibiting architectural elements and features that meet the needs of the most demanding property owners. Atlantic Concealment designs are a cost effective alternative to other solutions on the market today.

Additional information about Atlantic Concealment can be found at the company's web site: www.Atlantic-Concealment.com
