

**PRESS RELEASE:**

**Atlantic Concealment names  
IBEX Systems to Rep its concealment  
products in Upper Mid-Central Region**

**FOR IMMEDIATE RELEASE: June 15, 2009**

Atlantic Concealment, LLC introduces IBEX Systems to its network of Reps in North America. The Atlantic Concealment Management teams relationship with IBEX Systems Bill and Mary Bahr goes back many years and was a natural fit for the two firms.

IBEX System has agreed to represent the thirteen Upper Mid Central States of Iowa, Minnesota, Wisconsin, Western Pennsylvania, Illinois, Indiana, Kansas, Michigan, Missouri, Nebraska, North Dakota, Ohio and South Dakota with its staff of six professional sales engineers. IBEX's sales engineers bring in-depth knowledge to the table of concealment criteria. This partnership with the IBEX System team increases Atlantic Concealment sales effort and will allow Atlantic Concealment to continue to expand its sales of the company's wireless concealment solutions in the Upper Mid Central States.

**About IBEX Systems**

IBEX Systems and its principals Mary Bahr and William (Bill) Bahr have over 30 years of experience in the telecom industry. They support a wide range of services and products from their offices in Bloomingdale, IL.

**About Atlantic Concealment**

Atlantic Concealment, L.L.C. is headquartered in Scarborough, ME with fabrication facilities located in Windham, ME. The company designs, engineers and manufactures innovative wireless site concealment solutions for wireless carriers seeking concealment options that meet the zoning requirements of specific markets and RF requirements that network engineers demand.

These products and designs feature extremely low-loss electrical characteristics while exhibiting architectural elements and features that meet the needs of the most demanding property owners. Atlantic Concealment designs are a cost effective alternative to other solutions on the market today.
